

## Town of Cow Head – Municipal Plan Review 2021-2031

### Introduction to the Residents' Survey Questionnaire

The Council of the Town of Cow Head began the Municipal Plan Review 2021-2031, in November 2020. To undertake this project Council hired a team of planners and designers headed up by Lydia Lewycky, Planning and Design and Matthew Mills of Mills and Wright. To involve the public and obtain input about the community related to planning and the environment, the consultants have prepared a survey questionnaire to help understand issues, challenges and opportunities that will help shape the policies of the updated Municipal Plan and Development Regulations.

The survey is on **SurveyMonkey** via the following Link: <https://www.surveymonkey.com/r/RHDYX9S> It will be posted for 2 weeks. **This survey will take only 15 minutes. All responses are strictly confidential, and no individuals will be identified.**

This survey questionnaire will be available on-line for two weeks starting on Friday March 26, 2021. Paper copies can be made available at the Town Office or you can download and print it from the town website. Please return filled-out paper surveys to the Town Office so that the Town Clerk can enter your answers and ensure they are added to the electronic survey and tabulated when the survey is closed. If the paper copy is not returned before April 9, we cannot guarantee that it will be tabulated with the final results. If you need help, please contact the Town Clerk at 709-243-2446.

If there are ideas you would like to add, or if you have any questions, we invite to contact the consultants directly. Lydia Lewycky: email: [lmlewyckyplans@gmail.com](mailto:lmlewyckyplans@gmail.com) or Matthew Mills: email: [matthew@millsandwright.ca](mailto:matthew@millsandwright.ca)

We will be happy to discuss with you.

The current planning documents can be viewed on the town's website or on the Department of Environment, Climate Change and Municipalities website.

Additional public engagement opportunities that outline the changes to the planning documents will be conducted either in person or virtually, as covid-19 protocols and restrictions permit. For more information about the Cow Head Municipal Plan Review, please visit the Town's website.
